

Innovative Medicines Initiative Information Day and National Platforms Meeting Madrid, October 10th, 2007

Venue: **Fundación Lázaro Galdiano (C/ Serrano 122, Madrid, SPAIN)**

The *Innovative Medicines Initiative* is gaining momentum and it is important to ensure dissemination of its present status and the implementation plans, as well as the coordination with other initiatives at national level. The objectives of the meeting are to share information on IMI implementation; to improve the co-ordination between IMI and IMI national platforms; to identify IMI projects initiated by national platforms; and to improve company co-ordinations (companies involved in national platforms and not in IMI and vice-versa).
